

Technical drawing of a sewerage system plan (Plan 1:200) showing a new manhole (KS) and associated piping. The drawing includes labels for existing infrastructure like "SB K600 1972", "BR NW 1250", and "BR NW 600". It also shows proposed new elements like "neue Mischabwasserleitung" and "BR NW 1250 (Beruhigungsstrecke)". Dimensions and elevations are provided for various points and segments. A red rectangular area highlights the new manhole structure.
